EARLIER NEWS 7

A great night at Perth Ice Rink on Friday with 18 curlers from Abdie and 6 from Abdie Ladies battling it out for the Epergne, our beautiful vintage glass trophy. At the final countdown, it was Scott Baird's rink (Keith Rose, Randy Wallace and in the skip's words "the capable" Diane Forster) who were triumphant with a score of 7 points and 7 shots up.

Runners up were Willie Monks, Gerry Watson, Andrew Fynn and Irene Robertson with 5 points and 2 shots up. Well done to all who competed in an excellent and enjoyable evening.

Thanks to John B for the excellent team sheets helping to reduce the bedlam of previous years.

Tommy Messenger has accepted the Queen's shilling and has left for the RAF. We wish him all the best – what a job playing with planes! There are a few rink vacancies which will be required to be filled for the rest of the season. Volunteers please.

There was a large turnout and a busy night at Perth Ice Rink, on the 21st November, for the Abdie Points contest. The prizes being the three medals presented to the club in the 1840's. Two sheets were used for the contest – strangely most of the points seemed to be scored on Sheet B - nevertheless the winners, who best dealt with this, were Local Medal (1st): Sandy Farmer [19 points], Burton Medal (2nd): Steward Todd [18 points] and Hamilton Medal (3rd): Willie Monks [17 points - following a draw to the button]
