Magnus Doull Trophy

On January 5th, at Kinross, two Abdie rinks - Stewart Todd, John McCallum, Rog Horner, Alistair Robinson and Andy Messenger, Gerry Watson, John Arbuckle and Rob Watson, took on eight of Stratheden's finest in the Annual Challenge Match for the Magnus Doull Trophy.

Both of our rinks were victorious, each scoring 9 points to achieve an aggregate 18 – 7 winning score to retain the trophy that was won last year. Thanks to Stratheden for a great match played with good skill and good company. The evening was rounded off with "beef and greens" in the KCT bar.

Annual Farmers Trophy 2016

Question - When is a Farmer not a Farmer?

Answer 1 - When it is Stewart Todd moonlighting in the Farmers Trophy.

Answer 2 – When he's Sandy.

It seems that there were three Abdie Members in one of the rinks contesting for this trophy..

This rink was, allegedly, skipped by a member of a local Farming Dynasty. A blackout of news regarding the result would suggest that it was not a victory for these F/farmers!
