### Abdie Golf Championship

Nine Abdie members keenly contested our prestigious championship at Dunning Links on Friday 14<sup>th</sup> July. There was one spectator/umpire and a local "nae-body" called Ron (no relation), who might well have been in the winning mix if anyone had bothered to add up his score.

The Champion with 40 points was Randy Wallace. Fortunately, when Randy, last year's champion, was half way to Dunning he realised that he had left the trophy at home! Embarrassment was avoided when he went home to retrieve the trophy. Global warming would have been reduced a smidgeon if he had not bothered as the trophy will grace his mantelpiece for another year.

Winner - Randy Wallace

Runner up was Alistair with 36 points

Third was Alex with 33 points

The unfortunate wooden spoon champion was Jim Mackie. No details of his score have been issued. Other scores are available.

Straightest Drive - Alex

Nearest the Pin - No one! (quality golf, what?)

The miracle of the day was carried out, by George (pictured below), who chipped in at the 18th for a 2 - a net "0" and "6" points. This was a get out of the wooden spoon shot.

Thanks to Alistair who organised the tournament and the Dunning Golf Club caterers for providing pre-match bacon rolls and an evening meal for the competitors.

### Club Hut Refurbishment

In three glorious gaps in this fine summer's weather a squad of Abdie members, with total disregard to the niceties of the EU's Health and Safety regulations, worked on the maintenance of our "C" listed club hut. Encroaching scrub and tree branches were cleared and the corrugated iron was scraped, brushed down and patched. Unfortunately, the workers have only managed to carry out 3/4 of the roof treatment. George is concerned that the half of the roof [keep up the maths does work] (red lead u/c) and close to ?? red is covered over by Abdie green very soon.
