### Abdie win the Loofie League

A "loofies" are "Ugly Duckling" curling stones; roughly shaped granite blocks ready to be turned and polished into the fine stones we curl with. So too is the Loofie League. It is played by beginners, inexperienced players and skips or those who have reached their skill ceiling, to bring them on or to give them a chance of competing against other clubs whilst not in serious leagues.

Abdie won the 2018-2019 Loofie League! The appropriate wooden bowl trophy is won by the bottom team. Abdie is not embarrassed by this as it has frequently blooded the most curlers in this league for several years.
